

Technology in Mr. Beane's Classroom

- Only school-approved devices will be permitted in the classroom, and any unapproved devices will be confiscated and turned in to the office. All school rules set by the Acceptable use policy must be followed.
- Website: abeane.weebly.com
- My website will contain notes for the chapters/units covered in class. They will be posted by the end of each chapter and will be available for multiple devices. If the notes are up early students will be able to use their device to access the notes and copy them. All **BONUS** will be completed through an online blog found on this website.
- TEXT Alerts: You can sign up for text alerts for test and homework assignments. I will **NOT** have access to personal cellphone numbers nor will you have access to mine. Also, you will not be able to text me through this system. Contact with me can be achieved through my website. Parents are more than welcome to sign up for the text alerts.
 - Physical Science: Text @3131a to (330) 754-1893
 - Chemistry: Text @lvillechem to (330) 754-1893
 - Physics: Text @beanephys to (330) 754-1893

** This is completely optional and in no way do you have to sign up. The service is free but please keep in mind that your mobile service provider's standard rate for receiving text messages may apply.**
- Photos: Pictures may be taken of projects and labs for lab reports. No pictures of students or teacher should be taken without permission of that person.
- Any misuse of technology in the classroom will result in the loss of the privilege to use it in my classroom and consequences that are set by the Acceptable Use Policy.

I have received and read Mr. Beane's technology sheet and understand the guidelines for technology in Mr. Beane's Classroom.
